StarTech.com

Spec Sheet

The StarTech.com Advantage:

Support and Resources: Single point of contact for all your questions; exclusive online tools and free live technical support

Save Time Sourcing: A complete selection of high-demand and hard-to-find products from one vendor

Best Value: StarTech.com products offer the best combination of features and price

Exclusive Resources: Complete product information and tools available at www.startech.com

4 Port IEEE-1394 FireWire PCI Card with Digital Video Editing Kit

StarTech ID: PCI1394_4

Harness the power of FireWire with StarTech.com's PCI1394_4 digital video editing kit. This complete kit allows you to connect iPods, MP3 players, portable drives, digital camcorders and more to your desktop computer. As well, the card supports hot-swapping, so you'll be able to plug, unplug, and swap your FireWire peripherals with ease. The kit includes a 5 foot FireWire cable and a copy of ULEAD's VideoStudio SE Basic video editing software, making it easy to capture and edit video from your digital video camcorder.

Guaranteed to work with both PCs and Macs, the PCI1394_4 is backed by StarTech.com's lifetime warranty and FREE LIFETIME tech support.

WHQL Certified - Designed to work with Microsoft Windows XP

Applications and Solutions

> iPods/MP3 players
> Portable hard drives
> External CDR-CDRW drives
> DVD drives
